Get Ready to Have Some Fun at our 45th Smith College Class of ’73 Reunion

Class of ’73 classmates, I hope you are thinking about our upcoming 45th reunion this May and are planning to join us. Planning for this enjoyable and celebratory event is well underway. We have a dedicated committee working to make this a not to be missed opportunity to renew acquaintances, and remember our lives when we were students at Smith. This is also an opportunity for us to check out the amazing campus, see new buildings, and hear about the continued strength and vitality of Smith as a liberal arts college.

Where we are in the planning process: This summer, we chose a reunion theme and logo to go with it. Our theme is: 73’s 45: From Hit Singles to Vintage Classics. Thanks to our classmate, Dorothy Chansky, for coming up with this theme. Currently, the Class of ’73 reunion planning committee is focusing on finalizing the program for our reunion.

We need to also decide on slogans for the Alumnae Parade. We could use some help here. We only need a few slogans that riff off our theme. Think of the top songs from our era or major cultural, social, political events to jog your memory. Please share your ideas with me before Feb. 1, 2018. Peggy Smith, at: peggyleesmith5@gmail.com
Or, if you would like to step up to the plate and take charge of this effort, just let me know.

**Reunion Class Specific Program**

We are also looking for ideas for our class specific programs during reunion. We only have a limited amount of time to allocate to class specific programming. One of the ideas borrowed from the class of '72s 45th reunion is to invite our classmates to do short 6 to 9 minute presentations about something they are passionate about. It could be an exciting trip they have taken, a non-profit they are committed to, or an athletic endeavor they are pursuing. Please send your ideas to me at: peggyleesmith5@gmail.com

Did you know that our class has a Facebook page? Thanks to our class president, Cindy Mackey, for setting up our class Facebook page.

Please join this closed group by going to: www.facebook.com/groups/1720043658316456/.

Our main means of communication is electronic. So, for the most part class reunion updates will be delivered via email, Facebook or our class website.

**Class website**

Our class has a website which you can find by going to the Alumnae Association of Smith College website and clicking on the “Classes” tab.
